Summary

A passionate and results-driven software developer with a solid foundation in web development and database management. Looking for an entry-level position to utilize my technical skills, problem-solving abilities, and hands-on experience in developing applications, particularly in C# and ASP.NET, to contribute to innovative software projects.

Projects

Hotel Management System

10/2023 - 10/2024

- Developed a comprehensive Hotel Management System using **C#** and **ASP.NET** to manage hotel operations, including room bookings, guest check-in/check-out, and invoice generation.
- Implemented a **CRUD (Create, Read, Update, Delete)** functionality for managing customer data, room availability, and booking history.
- Utilized **SQL Server** to manage and store data in a relational database and designed efficient queries for quick data retrieval and updates.
- Integrated **user authentication** and authorization, allowing multiple types of users (admin, receptionist) with role-based access to the system.

Employee Management System(Window Application).

07/2024 - 09/2024

- Developed and launched User Friendly Website.
- Collaborated to troubleshoot and resolve Application issues
- Fixed critical bug in the project.
- Improved Application performance by collaborating .
- Implemented CRUD (Create, Read, Update, Delete) functionalities to manage Employee records efficiently.
- Technologies worked on this Project:-ASP.NET, C#, SQL.

Skill & Abilities

- **Backend**:-ASP.NET MVC, ASP.NET Webform, ASP.NET Web API , ASP.NET Windows Application, Android Xamarin Form.
- **Frontend**:-HTML, CSS, JavaScript
- **Database**:-MS SQL, SQL.

Experience

.NET Developer SAP PRINT SOLUTION PVT LTD
June 2024 – Present

- Developed and maintained web applications using ASP.NET MVC, C#, and SQL Server.
- Collaborated with cross-functional teams to gather requirements and deliver high-quality software solutions.
- Created Android applications using **Xamarin Forms**, integrated with **ASP.NET Web API** for real-time data interaction.
- Implemented and optimized stored procedures, triggers, and views in SQL Server.
- Resolved bugs and enhanced application performance through efficient debugging and testing.
- Utilized JavaScript, HTML, and CSS for front-end functionality and UI enhancements.
- Worked on Windows and Web Forms applications, contributing to internal enterprise solutions.

Education

Year Of Passing

L.S. Raheja College Of Arts And Commerce Bsc.I.T CGPA:-7.92	2024
Maniben Nanavati college HSC Percentage:-72.58%	2021
UP Board SSC Percentage:-70.80%	2018
